

*Thank You for
Faithfulness in
Tithing & Giving*

Tithing and offering is scriptural and is used to support the organizations of the Church. Place your tithes and offerings in an envelope and designate it as such so it will be handled in the proper manner. Our first Sunday (of the month) offering goes to the Pastor, second Sunday to Missions, third and fourth Sunday for church expenses. We collect an orphanage offering the last Sunday of the month and every fifth Sunday offering goes to our church treasurer.

Online and Credit Card Giving is now available, see our website for more details.

"Don't fix the blame, fix the problem."

"The world cares very little about what a man or woman knows; it is what a man or woman is able to do that counts."

"Don't be afraid if things seem difficult in the beginning. That's only the initial impression. The important thing is not to retreat; you have to master yourself."

"You are accountable for what you do."

"Real power comes by empowering others." "Iron sharpens iron. So why settle for a man or woman who is not pursuing Christ with all of their heart? They will not sharpen you.

"You live or die based on the counsel you listen to—and the counsel you give." Never confuse familiarity with understanding.

Welcome To Rockville Church of God of Prophecy

A Place of Faith, Family and Friends

October 11, 2015

Thanks for joining us today @ Rockville Church of God of Prophecy. We trust you are blessed and encouraged through the worship, prayer and the word along with the love and warmth of our fellowship.

Rockville COGOP is a mission center and Christian community dedicated to helping hurting and hungry people find faith, hope, and dignity alongside each other. We love to throw parties, tell stories, find hope, and practice the ways of Jesus as best we can. We're all hurt or get hungry in our own ways. We're at different places on our journey but we share a guiding story, a sweeping epic drama called The Bible. We find faith as we follow Jesus and share a willingness to honestly wrestle with God and our questions and doubts. We find dignity as God's image-bearers and strive to call out that dignity in one another. We all receive, and we all give. We are old, young, poor, rich, conservative, liberals, single, married, evangelicals, progressives, over-educated, undereducated, certain, doubting, hurting, and thriving. Yet Christ's love binds our differences together in unity. At Rockville COGOP, everyone is safe, but no one is comfortable.

This is an incredible moment for the Church. Spiritual tsunamis are shaking the foundations of Christian movements, denominations, mission agencies and para-church organizations the world over. It is clear to me that the Spirit of God has issued a sovereign call to announce Good News that Jesus, the King, is coming to reign.

This call demands an urgent realignment of our lives, resources, and priorities with the announcement of God's divine rescue of all peoples, from all nations, cultures, languages and ethnic groups. God has positioned the Church of God of Prophecy and invited us to partner with Him in bringing millions of people into life-changing relationship with Jesus Christ. In 134 nations, from Uganda to Belarus, Sri Lanka to Australia, the Church of God of Prophecy is poised to join God's global outreach to everyone on planet earth. I invite you to join this spiritual revolution and change the course of world history.

Every October in preparation for the Mission Drive, we revisit memories of this wonderful time-honored missions tradition within the Church of God of Prophecy. It is one of two annual opportunities in which to raise awareness and personally invest in Mission Giving in support of our national leaders and mission nations.

This past year, the Mission Drive effort has especially supplemented our international mission giving and front line disaster response. With that in mind, I want to take a moment to celebrate the work of our God and express gratitude to our local churches and individual givers for the faithfulness of supply.

Over the past year, our church family has encountered and responded to a number of significant crises. Among those is the political hostility between Ukraine and Russia. As a fellowship, we have sustained our local churches in these nations as they have supplied care and ministered recovery to those caught in the conflict, amazingly leading efforts to rescue children who have been orphaned and held captive to be sold. We have responded miraculously to those who have been affected by natural disasters including earthquakes, super typhoons, and viral outbreaks by assisting our family in nations in on almost every continent.

Over the past few weeks, we experienced a serious (dangerous) crisis in Asia in which only the Lord could provide the miracle, and yet, our people have been an important part of supplying in response to that need. For each of our family members throughout the world, I want to express gratitude, first for the tenacity of faith in believing and secondly for response to supply ministry. Over the next few weeks, your local fellowship can directly touch the world through our mission network by participating in the October Mission Drive.

Prayerfully consider your response to our global mission work during the month of October. 100% of your Mission Offerings go directly to the mission field. This is our opportunity for every generation to join the journey of Global Missions. Thank you, in advance, for joining this effort.
