

**THANK YOU FOR
FAITHFULNESS IN
TITHING & GIVING**

“Bring the full tithe into the storehouse, that there may be food in my house. And thereby put me to the test, says the Lord of hosts, if I will not open the windows of heaven for you and pour down for you a blessing until there is no more need.” Malachi 3:10 ESV

Tithing and offering is scriptural and is used to support the organizations of the Church. Place your tithes and offerings in an envelope and designate it as such so it will be handled in the proper manner.

Our first Sunday (of the month) offering goes to the Pastor, second Sunday to Missions, third and fourth Sunday for church expenses. We collect an orphanage offering the last Sunday of the month and every fifth Sunday offering goes to our church treasurer!

Nepal

Dear Pastor Robin Balram and members of the Rockville Church of God of Prophecy. Greetings to you and the church in the mighty name of Jesus Christ. We all are well here by his grace and by your prayers, I do hope and pray that you are fine over there. It is our pleasure to have you partner with us as a harvest partner and we look forward to many years of co-partnering with you and your congregation. Thank you for your support and prayers. COGOP ministry in Nepal is growing, with many new souls being added weekly. The problems are great but our God is greater and with His help and your assistance we will have the victory. We are still rebuilding after the earthquake with a lot of our churches needing to be rebuilt completely. We are grateful that God has allowed your church to join with us. We are praying for you daily in our prayers, In His Service, Bishop Gopal Lama, Kathmandu, Nepal.

The Membership of the Church of God of Prophecy in Nepal is a little over 9,000 members with 90 churches. Nepal is among the poorest and least developed countries in the world with almost one-third of its population living below the poverty line. Street children are facing many problems on the street. Some problems faced by the street children are physical, psychological and sexual exploitation by adults and other street children. Street children are most vulnerable to malnutrition, substances abuses and severe health problems. Street children are engaged in begging on the street, trash picking, pick pocketing, rag picking, working in bars, restaurants and tempo buses even some children are engaged in prostitution. Those who are involved in prostitution are vulnerable to STD including HIV. The life of street children is fearful and stressful, living on the street in contact with gangs and police and without access of basic needs like food, shelter clothes and medicine. Help us minister to the street children of Nepal.

"I WILL BLESS THE LORD AT ALL TIMES, HIS PRAISE SHALL CONTINUALLY BE IN MY MOUTH".
